MAY 31 2005AMENDMENT
REQUEST TO CORRECT INVENTORSHIP
37 CFR 1.48(a)

1. This amendment and request is being filed for the purpose of adding inventors for subject matter disclosed in the above-referenced application under 37 CFR 1.48(a). Inventorship of the invention recited in the application's claims is not in doubt. Through clerical error, however, the originally filed declaration accompanying the application did not include the signatures of all inventors. This Request seeks to correct the declaration so that all inventors are named as required.
2. Addition of Inventors: Please add the following persons as inventors to this application.

Inventor: John C. Johnson
Address: 1638 West Amberwood Drive
Phoenix, AZ 85045
Citizenship: United States of America

Inventor: Jadran Mihailovic
Address: 8363 SW Charlotte Drive
Beaverton, OR 97007
Citizenship: United States of America

Inventor: Gregory A. Stone
Address: 14150 SW Allen Blvd, Apt. #60
Beaverton, OR 97005
Citizenship: United States of America

Respectfully submitted,
MARGER JOHNSON & McCOLLOM, P.C.

STATEMENT OF JOHN C. JOHNSON

I, **John C. Johnson**, one of the inventors of the subject matter, which is claimed and for which a patent is sought for the above-referenced invention, state that the error in inventorship did not occur with any deceptive intention on my part.

I hereby declare that all statements, made herein of my own knowledge, are true and that all statements, made on information and belief, are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Dated this 22 day of October, 2003.

STATEMENT OF JADRAN MIHAILOVIC

I, **Jadran Mihailovic**, one of the inventors of the subject matter, which is claimed and for which a patent is sought for the above-referenced invention, state that the error in inventorship did not occur with any deceptive intention on my part.

I hereby declare that all statements, made herein of my own knowledge, are true and that all statements, made on information and belief, are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Dated this 22nd day of October, 2003.

STATEMENT OF GREGORY A. STONE

I, Gregory A. Stone, one of the inventors of the subject matter, which is claimed and for which a patent is sought for the above-referenced invention, state that the error in inventorship did not occur with any deceptive intention on my part.

I hereby declare that all statements, made herein of my own knowledge, are true and that all statements, made on information and belief, are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
